c) International Communism: FYI there is apparently somewhere some degree of concern that [REDACTED] might consider rcls with USSR, and a corresponding desire to take advantage of any reasonable opportunity for immunization. It has therefore been requested that Sov Div develop a piece along lines of present scope and policy of USSR efforts at subversion, wars of national liberation, etc., geared where possible to SEA area; their need to compete with ChiCom efforts in self-defense, as evidenced in underdeveloped areas generally, etc etc etc. 10 min?

4. To get this to O/DCI by cob Monday, Presentation Staff reqd. ~~W/OUT SENSITIVE INFORMATION BY OPENING OF BIZ MON 12 Sept~~
